On January 24, 2021, ROBLOX released a new version 3 logo to replace the one that they had been using since 2021. The new version of the logo still has no color in it; however, it now uses vector graphics, as opposed to bitmap graphics on previous logos. This new logo also included a small R inside a circle which represents ROBLOX's focus on imagination and creativity.

Her parents did not approve of this decision and they started a petition on Change.org to get their daughter unbanned back on Roblox. They stated that her ban would be a violation of their privacy rights as well as an infringement upon her civil rights, as a minor. The family requested that Roblox reverse its ban of Arielle and instead give her a warning to stop future harassment, which she committed while playing "Minecraft". The petition received more than 50,000 signatures in less than 12 hours. However, it was then reported by users that the petition had been removed from the website soon after it began. As soon as the petition was received by Roblox, it was announced that her account would be reviewed and further action would be taken in response to how she had "been conducting herself online".

I was also kind of surprised at how far back the game went in time; it was created back in 2021, which I know is quite a long time ago. It's kind of scary how quickly

things have changed since then. But though I am young, I thought that Minecraft was always meant for little kids; unlike Roblox, it wasn't purchased by me or my parents, and there were no advertisements present. So my opinion on both games is that they are really great for little kids because they're safe and easy to use. For adults, they are not worth the time. But from what I have heard, and from my own experiences, Roblox is a game that all kindergartners should be playing. It's definitely not recommended for adults or even teenagers.

ROBLOX has also joined and partnered with other websites that are similar to it such as Minecraft (Minecraft in ROBLOX) and Robloxian (Minecraft on ROBLOX). These games include games such as MinexCraft, the Grand Theft Auto series, My Top Games, and many others.

Afterwards, ROBLOX began taking action on these cases and will be using an automated system to monitor all transactions for suspicious activity.[43] ROBLOX has also been known to restrict the number of items that a player can sell. This is because many people would sell off too much of their collection to gain more currency, which can make it harder for other players to find popular items.[44]

On September 30, 2021 ROBLOX Studio was released. This app allowed users to develop games using their tablet devices as well as their computer. Builders Club was also released around this time; however it cost 10 ROBUX to join Builders Club until March 2021 when the price was raised from 10 ROBUX to 100 ROBUX per month.

The app is really easy to use, you just sign up with your email and then enter your username and password which was created when you registered on Roblox. After that it automatically detects your IP address, and then you can choose which device you would like to receive the advertising on. You can choose from a desktop computer, a laptop or a mobile device. The next thing you do is select the game categories that you would like to play games in such as anime, roleplay, sandbox and more. After making your choices, it will show you ads every 15 minutes and then give you free robux for completing offers. You may also skip an ad if you don't want to watch them when they pop up so frequently.

The American Federation of Television and Radio Artists (AFTRA) has demanded that Roblox includes their members. The union stated that they also want their actors to get compensation for their work. The union has also said that they have been talking with Roblox for more than a year before singling out the company for bad housekeeping by refusing to pay royalties and residuals while claiming to "be building careers".

Even though ROBLOX replaced many of its assets with assets from Awaited Studios for being sued by Dr. J for copyright infringement, ROBLOX did not do this to avoid paying royalties for all of the money that was earned by users who were using their assets in other games.
